Interior Doors

DORLAY SERIES

WHO WE ARE

As an interior door manufacturer with years of experience, PORTA CANDIA is committed to providing high-quality products that cater to different spaces. Our roots in the woodworking sector date back to the 1950s, and our dedication to producing only the finest wood products has remained unwavering since then. We offer a wide variety of door styles from modern to classical, making them ideal for various settings such as hotels, hospitals, offices, residential projects and more. At Porta Candia, we are customer-focused and prioritize client satisfaction above all else. Each customer receives personalized attention and top-notch craftsmanship resulting in beautiful interior doors that surpass expectations. Being an established exporter worldwide gives us great pride in delivering our wood doors globally while maintaining our high standards of quality control at every stage of production.

DORLAY SERIES

DORLAY series is an extensive range of interior doors that showcases a wide product range with various plain or embossed decorative finishes.

The impregnated decorative door finishes used on the door leaf surfaces to give them unmatched durability and longevity, ensuring they remain as good as new for years to come. On top of that, the door frames and architraves surfaces are made from high-quality CPL laminates, making them resistant to scratches, abrasion, impact, staining, and fading over the years. These features make DORLAY series interior doors an excellent choice for both commercial and residential projects.
