Woodlay

Woodlay Basic

Woodlay Basic offers doors crafted from natural and engineered veneers, available in horizontal or vertical grain veneer options upon request. These plain doors are available in crown cut, quarter cut, or flat cut veneer options, allowing you to choose the grain pattern that best suits your project. A matte transparent varnish is applied to the doors, with the option for a satin finish available upon request. Door frames and architraves are also wrapped in the same veneer, ensuring a seamless and unified look throughout. Experience the beauty and functionality of the Woodlay Basic Series, where style meets durability.

Woodlay

Woodlay Premium

Woodlay Premium doors combine the natural beauty of wood veneers with handcrafted design. Meticulously cut and sewn, these doors feature intricate patterns and a unique blend of design and natural elegance. Vertical or horizontal veneer combinations offer endless options, while U-shaped, V-shaped, and oval grooves add depth and character to the doors. Metal inlays can also be applied, adding a contemporary touch. The choice of veneer includes flat cut, quarter cut, or crown cut, with various matching techniques available to achieve the desired pattern. Woodlay Premium doors are a testament to craftsmanship and design, offering a harmonious blend of elegance and natural appeal.
